

how to play

Connect 4

For 2 players (or 2 teams).

Players/teams alternate turns, dropping one disc into the playing board per turn.

First team to get 4 discs in a row wins!

4 in a row can be a horizontal, vertical, or diagonal line.

Hot Tips:

- Anticipate your opponent's next move
- Try not to play below a game ending space
- Begin by playing in the middle of the board
